

Errata for §170.304 (f) Electronic copy of health information

The purpose of this document is to record known technical corrections to v1.1 of the Electronic Copy of Health Information test procedure. Errata for other test procedures are located in separate documents. Each erratum entry includes the following information:

- Entry number
- The date the errata was added to the document
- The test procedure version and date published
- The test procedure section
- A description of the correction
- The text prior to the revision and the revised text
